

NORTH CAROLINA
STATE ETHICS COMMISSION
2008 STATEMENT OF ECONOMIC INTEREST

Dear Public Official,

You are receiving this notice and the enclosed Statement of Economic Interest ("SEI") because our records indicate that you are a North Carolina legislator, public servant, or judicial officer subject to the annual SEI filing requirements of the State Government Ethics Act. If this is not accurate, please contact the State Ethics Commission ("the SEC") as soon as possible so that we can correct our records. If you have already filed a 2008 SEI because you were appointed to or employed in your position in 2008, or recently filed an SEI as a candidate for public office, you need not submit an additional SEI in 2008.

You must mail or deliver your original, notarized, SEI to the SEC no later than April 15, 2008. Faxes will *not* be accepted. If you do not submit a complete SEI by April 15th, you may be subject to a fine of \$250 and removal from your position.

Please Review This Checklist Carefully Before Submitting Your SEI:

- ☐ Have you responded to each question, including question 19? If you do not have information to disclose, please state "NONE." If you leave any question blank, you will be required to refile a completed SEI.
- ☐ Does your SEI include information concerning yourself, your spouse, and members of your immediate family? Note that immediate family only includes members of your extended family *who reside in your household*.
- ☐ Do you need additional space to respond to a question? If so, please attach that information to the SEI but be sure to refer to that attachment in your response to the question (i.e., See Attachment 1).
- ☐ Is your SEI signed and notarized? SEIs that are not signed and notarized will not be accepted.
- ☐ Did you send your original SEI to the SEC? Although a fillable, saveable version of the SEI is available electronically at www.ethicscommission.nc.gov, you must submit the original to the Commission by the April 15, 2008, deadline. Electronic or faxed SEIs will not be accepted.
- ☐ Have you contacted the SEC with any questions concerning your SEI? SEC staff is available to answer any questions by telephone at (919) 807-4620 or e-mail at ethics.commission@ncmail.net.

The State Ethics Commission and its staff thank you for your cooperation in complying with this important requirement and for your continued public service.
